MEMORANDUM

27 January 1953

To: FI/PLANS

From: EE/FI/G

Subject: Extension of KIBITZ Project

1. Request that the KIBITZ Project be extended from 1 January 1953 to 31 March 1953 at no additional cost. The project as previously approved provides sufficient funds to cover the expenses during the period of the extension.
2. Request this extension to enable the field to meet expenses which are continuing while the project is being reviewed in the field to determine the most advantageous means of disposing of the KIBITZ-15 network.
3. Attached hereto is the originally approved KIBITZ Project, with subsequent extension to 31 December 1952.
